## Wynn's Scratch Remover 100ml

Wynn's Scratch Remover is an abrasive polishing paste with micro particles which remove scratches and scuff marks commonly associated with everyday knocks and bumps. Large angular particles abrade and break down while small smoother particles leave a polished finish.

### Key Benefits

- Removes scratches and scuffs from paintwork, bumpers and headlights
- Multi-action abrasive process leaves highly polished finish
- Convenient tube prevents dirt ingress and contamination

### Applications

- For surface scratches on paintwork
- Brightens up headlights
- Bumpers & bright work

### Directions for use:

- Apply to soft cloth
- Rub the affected area in a firm circular motion until blemish or scratch disappears
- Buff with clean dry cloth to shine

### Shelf Life.

Whilst Wynn's products are formulated to have as long a shelf life as possible, other factors do influence their actual useful life. Handling and storage conditions can cause packaging deterioration which could render the product unfit for further use. From time to time products are superseded by upgraded products and/or changed formulations and older products will no longer have the same performance level or be compatible with latest technology being introduced into equipment. It is therefore the responsibility of the purchaser of the product to ensure proper storage conditions, stock rotation and timely usage to prevent products from becoming unsuitable for use.

**Expiry date:** 3 Years from manufacture date.
