Wynn's Windscreen Wash

Wynn's Windscreen Wash is a concentrated detergent additive for the windscreen water reservoir to remove stubborn dirt and insect residue from the windshield.

Properties:

- ✓ Removes dirt and bug remains effortlessly
- ✓ Provides extra lubrication of wiper blades reducing shudder as well as excessive wear
- ✓ Anti-streak formulation leaves windscreen absolutely clear without glare or streaks

Applications:

- ✓ To be used on cars windshields but can be used to clean headlights, rear view mirrors, chrome trim etc.

Packsizes: 12 x 200ml

Physical Specifications:

- ✓ Appearance : Blue liquid

Directions:

- ✓ Add Windscreen Wash to reservoir water
- ✓ Spray onto windscreen as required while activating the wipers to remove water and dirt
- ✓ Treats up to 5 Litres of water

Health and Safety Data:

Material Safety Data Sheets are available from the company

Shelf Life:

Whilst Wynn's products are formulated to have as long a shelf life as possible, other factors do influence their actual useful life.

Handling and storage conditions can cause packaging deterioration which could render the product unfit for further use.

From time to time products are superseded by upgraded products and/or changed formulations and older products will no longer have the same performance level or be compatible with latest technology being introduced into equipment.

It is therefore the responsibility of the purchaser of the product to ensure proper storage conditions, stock rotation and timely usage to prevent products from becoming unsuitable for use.

Expiry date: 2 Years from manufacture date.
