TECHNICAL DATA SHEET

Wynn's Pearl Glaze

Wynn's Pearl Glaze is a premium non-abrasive cream polish for all paint finishes including high end metallic and clear coat paintwork.

Key Benefits

- High quality finish
- Non-abrasive
- Applies easily without leaving powder residue
- Carnuba wax protects and shines

Applications

- Use on any paint work for a high quality gloss
- Ideal for new cars and metallic finishes

Directions for use:

- Prepare paintwork by removing all dirt with water and/or car shampoo
- Spread polish on evenly in sections
- Allow a few minutes to dry then buff with clean dry cloth
- If there is wax build up use Wynn's Revive to remove waxy residue before applying the polish

Pack sizes.

12 x 250ml

Physical Specifications:

Odour: Characteristic
Appearance: White cream consistency

Health and Safety Data.

Material Safety Data Sheets are available from the company

Shelf Life.

Whilst Wynn's products are formulated to have as long a shelf life as possible, other factors do influence their actual useful life. Handling and storage conditions can cause packaging deterioration which could render the product unfit for further use. From time to time products are superseded by upgraded products and/or changed formulations and older products will no longer have the same performance level or be compatible with latest technology being introduced into equipment. It is therefore the responsibility of the purchaser of the product to ensure proper storage conditions, stock rotation and timely usage to prevent products from becoming unsuitable for use.

Expiry date: 3 Years from manufacture date.
