TECHNICAL DATA SHEET

Wynn's Gear Oil Treatment & Assembly Lube

Wynn's Gear Oil Treatment and Assembly Lube, is a fully supplementary gear oil package scientifically formulated using the latest technology to provide conventional manual gear box, differential and wide variety of automotive and industrial equipment superior protection. Meets international vehicle manufacturer's specifications of extreme pressure gear oils and recommended for use in limited slip differentials.

Key Benefits

- Reduces gear friction, lowering operating temperatures
- Reduces wear, extending component life
- Provides oxidation and shear stability for longer oil life
- Quietens diff and manual gearbox whine providing smoother gear changes
- Anti-Wear and Extreme Pressure additives provide excellent protection during engine rebuilds and component assembly.

Applications

- Noisy or wearing diff or gearbox
- Boost gear oil EP spec
- Use as assembly lube to protect gears on start up

Directions for use:

- Add contents as required to manual gear or diff oil
- Coat interacting services on assembly
- Do not use with automatic transmission fluid

Wynn's Gear Oil Treatment...continued

Pack sizes.
12 x 90g

Physical Specifications:

Odour: *Characteristic strong EP additive*
Appearance: *Viscous brown grease*

Health and Safety Data.
Material Safety Data Sheets are available from the company

Shelf Life.
Whilst Wynn's products are formulated to have as long a shelf life as possible, other factors do influence their actual useful life. Handling and storage conditions can cause packaging deterioration which could render the product unfit for further use. From time to time products are superseded by upgraded products and/or changed formulations and older products will no longer have the same performance level or be compatible with latest technology being introduced into equipment. It is therefore the responsibility of the purchaser of the product to ensure proper storage conditions, stock rotation and timely usage to prevent products from becoming unsuitable for use.

Expiry date: 3 Years from manufacture date.
